# Eyesome profile

We create beauty. Eyesome is an archaic word that means "The beauty and nobility"  
We are an innovative cosmetics manufacturer with an R&D center that always pursues customers satisfaction. "Only one formula for one company" is our basic principle. For nearly a decade, we have been working with several well-known cosmetic brands in Korea as well as in overseas countries. Based on our strong relationship year to year, we consistently cultivate our amazing cosmetics to export to other countries.
